

AAUW Fredericksburg (VA) Area Branch

AI Unleashed: The Future and Its Risks

Saturday, April 26, 2025, at 2:00 PM

**Location: Central Rappahannock Regional Library, Fredericksburg Branch,
1201 Caroline Street, Fredericksburg, VA in Room 2 on the Lower Level**

Join us as we dive into the world of Artificial Intelligence (AI) with **Jennifer Swann**, Director of Information Security at Bloomberg. With a strong academic foundation from Morgan State University and a professional certification from Yale University, Jennifer brings a wealth of knowledge in cybersecurity and a deep passion for emerging technologies. Don't miss this opportunity to learn from an expert about the promises and pitfalls of AI.

OUR SPEAKER

Born and raised in Baltimore, MD, **Jennifer Swann** has carved out an impressive career in the tech industry. A proud graduate of Morgan State University, where she studied Engineering and Computer Information Systems, Jennifer launched her career as an infrastructure engineer at PNC Bank after graduating in 2012. She then transitioned to Northrop Grumman, focusing on Cyber Security. Today, Jennifer is the Director of Information Security at Bloomberg Industry Group, bringing a wealth of knowledge and experience to the role. Her accomplishments include obtaining a leadership certificate from Yale, winning hackathons at MIT, and working with Facebook on its spatial computing program.

The meeting is free and open to the public.
